

For best practices in development financial institutions

# SUSTAINABLE Financing PROGRAMS

# ALIDE Awards 2022

Latin America and the Caribbean Development banking has become a source of innovation in developing technologies, financial and non financial products and services that are made available to productive and social sectors. The relevance of developing banking is shown in its never-ending activity creating and developing markets, in its activity strengthening and developing new non banking financial intermediaries, and by giving access to the financial system to important segments of the population that have a limited access to the tradicional banking services. This important contribution will be acknowledged by the Latin American Association of Development Financial Institutions (ALIDE), as the representative body of the Latin America and the Caribbean developing banking, will award the most relevant practices of financial and non financial products and services, as well as the work on social and environmental responsibility performed by the regional developing banking.

#### **CATEGORIES**

Three main categories have been considered for the effects of the contest, ans follows:

It comprises the programs, facilities or financing schemes developed by a bank for entrepereunial units, particularly rural or urban SMEs from any productive or service sector in the country. It also include the loan of funding programs designed to develop or improve productive or social infrastructure projects in the country, as well, as initiatives or program in a specific area (province, community or locality) designed and developed to create a favorable settings to enhance the development of businessses, to promote competitiveness, and create new opportunities for new start-ups and, in general anything that involves providing financing to their costumes.

#### **TECHNOLOGICAL** MANAGEMENT AND **MODERNIZATION**

This category includes the development and implementation of institutional management programs or projects developed to promote the applications of good practices in the corporate goverment, risk management and administration systems and models; quality management, programs or schems to improve the professional capabilities and the career pathway of the staff, implementation of technological platforms to facilitate user attention using Internet, call center projects, and an others that may help improve management and customer services.

#### **INFORMATION, TECHNICAL ASSISTANCE AND SOCIAL RESPONSABILITIES**

This category includes social responsibility programs; entrepreneurial training; business promotion and the provision of on-line information to customers, individually or jointly with private operators, among other realted topics.

To know and highlight the innovative and innovative practices that national companies from countries outside the region have created in this category where products and / or programs on financial products, Management and Technological Modernization are presented; Information, Technical Assistance and Social Responsibility.

### SPECIAL CATEGORY

Development banks are called upon to play a major role in the sustainable development of the countries, contributing to the development of the local productive structure, not out an altruistic or assistencialism , so as to make productive activities, not only economically feasible, but also socially equal (including social stakeholders) and environmentally responsible. In this field, both Latin America and the Caribbean and European financial institutions have been pioneers in the development of financing programs to fight against and adapt to climate change.

#### SPECIAL CATEGORY

#### **WOMEN IN BUSINESS AWARD**

Includes products, programs, facilities or financing schemes or not developed by a bank to support the financial and social inclusion of women as well as the development of enterprises led by women.

\* In the event that a single proposal is presented in any of the categories, it may be awarded the ALIDE AWARD if the international jury considers it so.

## **PRESENTATION PLAN**
