JUST TRANSITION

EIB GLOBAL

Better respond to Global Challenges

- Dedicated Branch for international partnerships and development finance
- More streamlined and focused entity will help us greatly to increase the impact of our financing
- Global action and partnerships are essential to achieving our climate goals and accelerate green recovery

More focused contribution to Team Europe

- EIB Global brings EIB resources and expertise under a clear management structure to make a stronger, more focused contribution to Team Europe
- Expand EIB local presence all around the world
- Key partner of the EC in the EU Global Gateway

Work ahead....

How to scale up concessional funding?

How to unlock private sector funding?

What is holding back investments?

How to accelerate investment with extremely limited public budgetary space?
