Inversión Social en América Latina y el Caribe

April, 2023

# BDMG

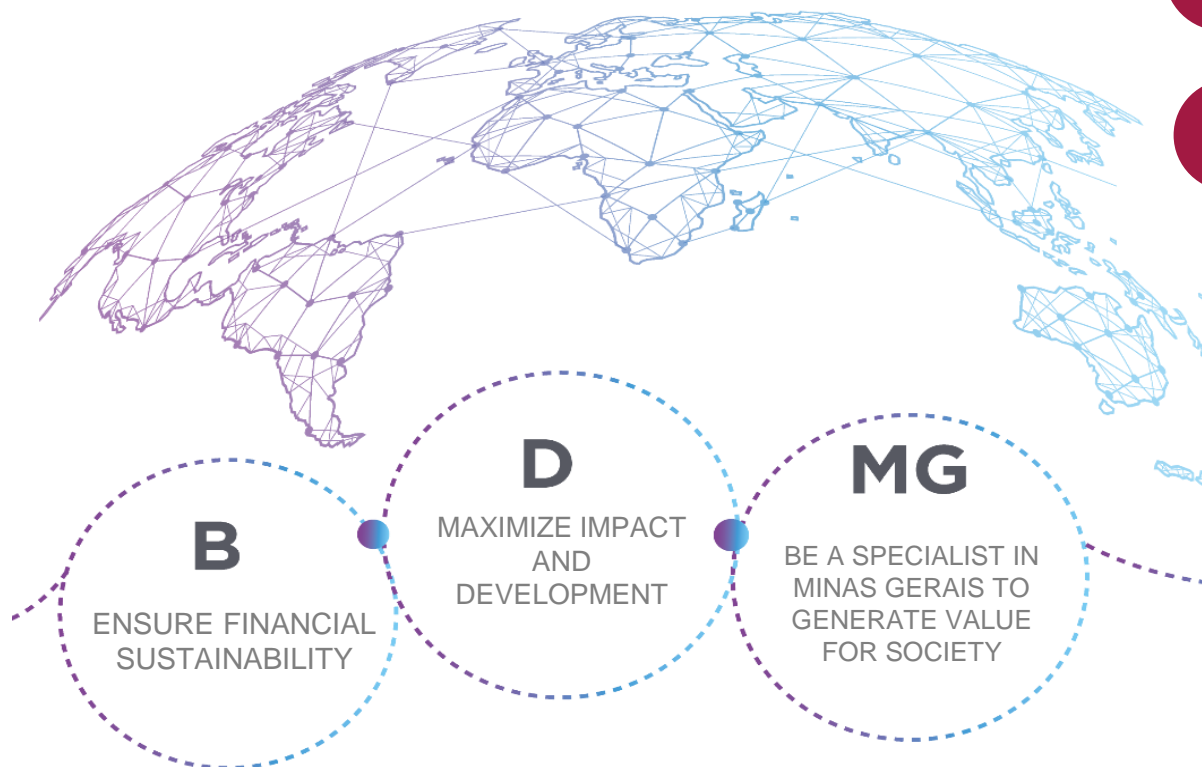

## STRATEGY

### TO BE RECOGNIZED

as a regional development bank focused on impact investment in Minas Gerais

## COMMITMENT TO THE GLOBAL AGENDA

- 1 Expand sustainable investments
- 2 Align BDMG'S operations with the 2030 Agenda
- 3 Explore the potential for partnerships, technical cooperation, and financial innovation.

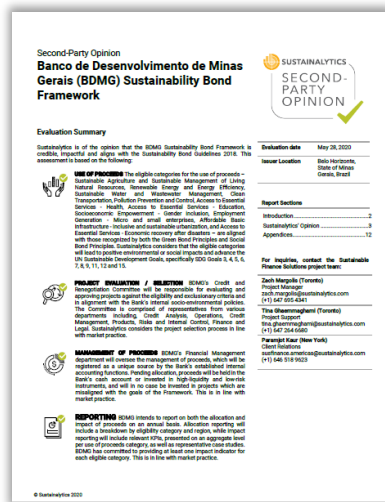

# BDMG SUSTAINABLE BOND PROCESS

## Framework ODS

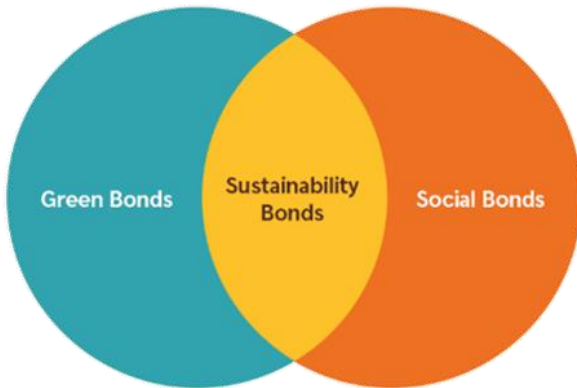

## Second Party Opinion (SPO)

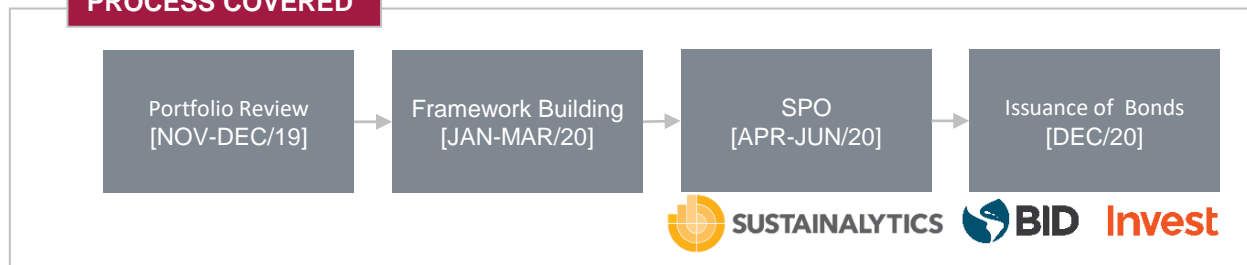

It certifies that part of the BDMG portfolio is in line with the “Social and Green Bonds Principles” and, therefore, with the SDGs.

In addition to allowing bond issues for this purpose, it provides guidelines on eligibility criteria for sustainable and social projects, exclusion of sectors with negative impacts and indications for impact reports.
