for the Economic Expansion of
the Medium and Small Enterprises*

BANCOMEXT

Established in 1937 is the Mexican development bank for promoting international trade and FDI.

Main activities

Promote international trade

Increase productivity

Promote Mexican companies abroad

Increase participation in global value chains

Promote foreign investment

Mexico's Export Credit Agency

- NAFIN is a development bank established in 1934
- NAFIN's main goal is to **provide access to affordable financing to micro, small and medium-sized enterprises** ("MSMEs") operating throughout Mexico, a historically under-banked sector of the economy.
